

## Support registered Afghan refugee students in Pakistan!

Hanns Seidel Foundation (HSF) Pakistan aims to strengthen long-term regional stability in Pakistan-Afghanistan through extensive education of outstanding social multipliers.

### About HSSP:

- HSF's flagship project *Hanns Seidel Scholarship Program (HSSP): Support for Afghan Refugees in Pakistan*, provides comprehensive support to talented registered Afghan refugee students enrolled in Pakistani universities.
- Currently, 30 scholarship grants with conceptual support and professional on-the-job trainings are promoted under HSSP.

### Via HSSP, your company can support the

- long-term regional stability of the Pakistan-Afghanistan region,
- democratic development through social multiplication,
- reconstruction and development of Afghanistan by educated Afghan youth,
- exposure and improved skillset of Afghan refugees through professional training, and
- social cohesiveness in Pakistan and Afghanistan.

**HSF is the oldest German political foundation in Pakistan and directly mandated by the German Federal Parliament Bundestag.**

### These professional on-the-job trainings

- will be organized as internships by the scholarship holders themselves (supported by HSF Pakistan),
- will be fully financed by HSF through continued payment of the scholarship, and
- are in line with the policies of the Government of Pakistan.

### Your company's benefits as HSSP partner:

- CSR imprint
- Well-selected, educated and talented resources
- Fully financed and equipped interns under HSSP
- Enhanced visibility in HSF's publications
